Apprenticeship Programs for Auroville Youth
- An Introductory Event -

From cooking to welding, from green work to fashion design, 6 months to 2 years, apprenticeship programs are springing up in Auroville for motivated youth of 16 years onwards.

This event will give you an opportunity to get a first hand impression about some of the training programs available in Auroville. You will learn about existing and new programs as well as current efforts to expand the menu of these training opportunities.

What are you interested in?
Bringing your questions and your curiosity, interact with those offering apprenticeship programs and others like you who have participated in them, and explore another exciting avenue of learning and professional development in Auroville.

When & Where?
Friday January 22nd 2016, 3.30 pm at Future School Seminar Hall

Who?
This is a joint effort by the Auroville Youth, Units and Schools of Auroville, and the Auroville Campus Initiative (ACI)
