

AUROVILLE PEER EDUCATION NETWORK

For the youth...
...by the youth

YouthLink

The logo for Y-PEER, featuring the letters 'Y-PEER' in a bold, orange, rounded font. A small registered trademark symbol (®) is located below the 'P'. The letters are set against a white background with a thin orange horizontal line below them.

Youth Peer Education Network

- International Peer Education Network
- Under the umbrella of UNFPA
- Source of methodology
- Open source materials for trained people
- Adaptation to Auroville context

1-7 October 2018

Auroville Peer Education Training

Organized by.

Lead Facilitator Juan Andrés Papagno (clinical psychologist, advanced Y-PEER Trainer) & YouthLink, using the methodology of Y-PEER, an initiative from the UNFPA.

Thank you for helping us build an Auroville Peer Education Network (APEN) for this region! Any donations welcome to cover training costs to FS#251048.

Why take this training?

- Develop your leadership and communication skills and become part of an International Network of Peer Educators!
- This first training is designed specifically for Auroville & bioregional youth between the ages 16-30 yrs, with flexibility.
- Exploration of values and beliefs, theatre based Peer Education, taboo topics discussions, thematic games, movies and much more!

Why develop this network?

- We face several challenges as a collective in the Auroville-bioregional area - regarding topics like bike accidents, substance abuse, suicide and depression. At times we may feel handicap ... not knowing how to react, with questions arising like, "what can we do to help?"
- We know our peer group has a strong influence in how we behave, and this can be for both risky and safe behaviors. This is especially important when we deal with sensitive issues. Many times we want to help, but we don't know how or we don't know enough. So, how can you be of real help to your close ones? Use peer influence in a positive way by becoming a reference for information and support in your community.

In our first training we had

20 participant from 16 to 35 years old
10 girls and 10 boys

16 Aurovillians
2 Newcomers
1 volunteer
1 from the bioregion

9 Indians
3 French
1 Italians
1 Dutch
1 Indonesian
1 Slovenian
1 French/Italian
1 Dutch/Indian
1 Israeli/British
1 Tibetan/French
